Hartland Farmers Market Vendors Liability Statement

I have received, read, understood, and agree to comply with the Hartland Farmers Market Rules.

I agree to follow the rules for safe food handling per the Vermont Department of Health.

Market participants must conduct themselves in a manner that contributes to a positive shopping experience for market customers. They should avoid unsuitable language, such as crude jokes, and engaging in inappropriate behavior. Market participants should not leave their booths unattended during market hours. Market Management expects market participants to be honest and to conduct themselves in a courteous and friendly manner with other market participants, market staff, and market customers.

Market Management reserves the right to dismiss any vendor and/or remove any product being sold that does not adhere to the rules and procedures as outlined in this document.

The Hartland Farmers Market is covered by a limited liability insurance plan. The plan does not cover liability for individual vendors. I understand that individual liability insurance is my responsibility.

Vendor cancellation without 24-hour notice will result in a forfeit of the vendor fee

I now release and indemnify the Hartland Farmers Market, the market board members, the Market Manager, Hartland Elementary School, and the Town of Hartland from liability due to my products or setup.
